NORTHWEST GERIATRICS
WORKFORCE ENHANCEMENT CENTER

Winter 2023 ADRD Geriatric Healthcare Series

January 3rd – March 7, 2023

ABOUT THE SERIES

Our lecture series is designed for healthcare workers in primary care who want to improve the care of older adults, learn about dementia-friendly care, manage and recognize common geriatric problems. Our speakers are topic experts and deliver the most up-to-date, clinically relevant evidence in their lectures.

OUR PARTNERS

U.S. Department of Veterans Affairs

Veterans Health Administration
Geriatric Research, Education, and Clinical Centers

How to Register

REGISTER

- 1) Make sure that you're logged in to your account or create an account if you don't already have one.
- 2) Your registration is free at checkout.
- 3) Click on 'Take this Course' and proceed to online checkout.
- 4) Follow directions to go directly to your activities or bookmark your page.

You will receive a confirmation email with links to the series [coursepage](#) and Zoom after you register.

Attendees are expected to:

- > Fill out evaluation surveys for each lecture
- > At the end of the series, submit an attendance log

Learning Objectives

After completing this course, you will be better able to:

- > Differentiate dementia from other conditions
- > Define the key findings in dementia
- > Characterize dementia, delirium, and depression
- > Identify resources in the community to improve the safety and quality of life
- > Identify red flags in cognitive concerns
- > Understand the scope of caregiving of persons with dementia
- > List important steps in diagnostic evaluation of late life psychosis
- > Explain the concept of multimodal comprehensive care communication skills
- > Understand the genetic contribution to various forms of dementia
- > Understand the variable causes of psychosis in late life
- > Compare outcomes between medication and behavioral interventions in dementia

Professional Credit (optional)

Successful completion requires registration and filling out of evaluation surveys (after each lecture) and your attendance log (at the end of the series). Attend the virtually or watch the recordings online – earn CE either way. UW Continuing Nursing Education requires a \$45 processing fee for a contact hour certificate for the series. Directions for obtaining credit will be provided.

Nurses: 15 contact hours (1.5 per session; 2.0 Rx)

- > Continuing Nursing Education at the University of Washington School of Nursing (UWCNE) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- > UWCNE is approved as a clock hour provider by the Washington State Board of Education.
- > Provider approved by the California Board of Registered Nursing, Provider #7128, for 15 contact hours (1.5 per session).

Physicians: This live series activity, Geriatric Healthcare Series, from January 3, 2023 – March 7, 2023, has been approved for up to 15 prescribed credit(s) by the American Academy of Family Physicians (AAFP). Physicians should claim only the credit commensurate with the extent of their participation in the activity. There is no processing fee for CME.

Psychologists: UWCNE qualifies as a Washington State CE program sponsor under WAC 246-924-240

Social Workers and Counselors: UWCNE qualifies as a Washington State CE program sponsor under WAC 246-809-601

All Other Disciplines: A UWCNE certificate for up to 15 contact hours (1.5 per session) will be awarded for documenting completion of this offering.

Target Audience

The series is designed for healthcare providers including physicians, nurses, physician assistants, advanced practice nurses, physical and occupational therapists, psychologists, social workers, pharmacists, and other interested professionals.

Location

All lectures will be broadcast live via Zoom Webinar.
